Charges of attempted embezzlement of municipal real estate worth over UAH 15 million (Court of Appeal of Cherkasy Oblast)

Indictment in court · period: — · made public: 28 Jun 2022

Alleged: €15,000,000

Pre-trial investigation body: National Anti-Corruption Bureau of Ukraine

Charges: ч.2 ст.15 ч.5 ст.191 KK

According to NABU and SAPO, the former head of the Cherkasy Oblast Court of Appeal facilitated the alienation, in favour of a local private company, of a municipal real estate object worth more than UAH 15 million, which a local self-government body had transferred to the court for operational management without the right of alienation; the crime was not completed. On 28.06.2022 a notice of suspicion was served under Article 15(2), Article 191(5) of the Criminal Code (according to SUD.UA, because he was in hiding — by delivery to his place of residence); on 03.04.2023 the High Council of Justice consented to detention in custody; on 18.12.2024 the investigation was completed; on 28.04.2025 the indictment was sent to court. The official authorities do not name him; the identification is per media reports. The period of the actions is not specified. As of October 2026 the outcome of the trial has not been verified.
