Corruption episodes

Suspicion of official negligence over the flooding of the tunnel between the “Demiivska” and “Lybidska” stations

Notice of suspicion · period: ~2023—2024 · made public: 12 Nov 2024

Alleged: ₴138,500,000

Pre-trial investigation body: National Police of Ukraine

Charges: ч. 2 ст. 367 КК України

According to investigators, the former head of MUE «Kyiv Metro» failed to ensure risk assessment and inspections of defective structures on the Obolonsko-Teremkivska line, which led to depressurisation and flooding of the tunnel between the «Demiivska» and «Lybidska» stations; on 8 December 2023 traffic on the section was stopped. On 12 November 2024, the Kyiv City Prosecutor's Office reported serving a notice of suspicion under Article 367(2) of the Criminal Code; for December 2023 – March 2024 the losses to the city budget amounted to over UAH 138.5 million, and in addition the metro lost almost UAH 26 million in revenue (not included in the amount). The prosecutor's office does not name the person; according to media and Bihus.Info, the suspect is Viktor Brahinskyi. The investigation is conducted by police investigators of the metro unit of the Main Directorate of the National Police in Kyiv. He has been put on the wanted list. There is no verdict.

Alleged: US\$1,000,000
