Undue advantage in the form of apartment discounts for helping a developer obtain land in Kyiv (Ministry of Regional Development case)

Notice of suspicion · period: — · made public: 23 Jun 2025

Alleged: ₴14,500,000

Pre-trial investigation body: National Anti-Corruption Bureau of Ukraine

Charges: ч. 2 ст. 15, ч. 2 ст. 28, ч. 2 ст. 364 КК України, ч. 4 ст. 368 КК України

According to NABU and SAPO, a Kyiv developer devised a scheme to illegally obtain a land plot in Kyiv for a residential complex; the Minister for Communities and Territories Development, together with the ministry's state secretary, an adviser to the minister and the director of a state enterprise, created the conditions for the plot to be transferred to a state enterprise, which concluded investment agreements with the desired company. The land and buildings were valued almost five times below market, and the difference from market value exceeded UAH 1 billion (the state would have received that much less in apartments; the seizure of the plot prevented this). According to investigators, the minister and persons designated by him received discounts on apartments (UAH 1 to 8 thousand per m² against a market price of ~UAH 30 thousand) — an undue advantage of over UAH 14.5 million; the episode amount is the size of the advantage according to NABU's announcement. The notice of suspicion was served on 23 June 2025, making him the sixth suspect; on 31 December 2025 NABU announced the completion of the pre-trial investigation. Chernyshov denies having controlled these apartments. Bihus.Info journalists separately linked persons from the case materials to the construction of mansions in Kozyn. There is no verdict.

Illicit enrichment: over USD 1.2 million and almost EUR 100,000 in cash from the “laundry” of

the “Midas” case

Notice of suspicion · period: ~2025 · made public: 11 Nov 2025

Alleged: US\$1,200,000

Pre-trial investigation body: National Anti-Corruption Bureau of Ukraine

Charges: ст. 368-5 КК України

According to NABU and SAPO, the former Deputy Prime Minister visited the so-called «laundry» controlled by the head of a criminal organisation exposed as part of Operation «Midas»; detectives documented the handover to him and his proxy of over USD 1.2 million and almost EUR 100 thousand in cash. On 11.11.2025 a notice of suspicion of illicit enrichment was served (Article 368-5 of the Criminal Code). NABU does not name him; according to media and Bihus.Info, on the recordings this is Oleksii Chernyshov («Che Guevara»). Bihus.Info journalists, based on published recordings, link part of the funds («500 — for the construction») to the construction of mansions in Kozyn. The episode amount is the dollar part; the almost EUR 100 thousand is not included in it. There is no verdict.
