Corruption episodes

Receipt of a UAH 1 million undue advantage for a land plot for a foundry (Mykolaiv, Lviv Oblast, 2013)

Final conviction · period: ~2013 · made public: 1 Jan 2013

Alleged: €1,000,000

Pre-trial investigation body: Prosecutor's Office of Lviv Oblast

Charges: ч.5 ст.368 KK

According to the case materials, in 2013 the Mayor of Mykolaiv, Lviv Oblast, and two city council employees received more than UAH 1 million from the director of a Kharkiv company as the first part of an undue advantage (more than UAH 2 million in total was to be paid) for preparing city council decisions, winning an auction and selling a land plot for a foundry at an understated price. On 26 October 2018, the Sykhivskyi District Court of Lviv sentenced Ihor Khimchak under Article 368(5) of the Criminal Code of Ukraine to 9 years of imprisonment with confiscation of property; the two city council employees to 8 years. On 29 March 2023, the Lviv Court of Appeal upheld the verdict (according to ZAXID.NET and the Lviv regional prosecutor's office).
