Mansion in Vyshenky worth at least UAH 70 million registered to the father-in-law of the head of the Energy Customs

Journalistic investigation · period: ~2023—2025 · made public: 1 Aug 2025

Alleged: ₴70,000,000

Pre-trial investigation body: State Bureau of Investigation

Charges: ст.368-5 KK

According to journalists of “Schemes (RFE/RL)” (Radio Liberty, 1 August 2025), after the start of the full-scale war a 450 sq m mansion in the village of Vyshenky in Kyiv Oblast was registered to the father-in-law of the head of the Energy Customs Office Anatolii Komar (ownership registered in February 2025). According to the general contractor's cost estimate obtained by the journalists, the first two construction stages cost over UAH 48 million; together with finishing and furnishing, the journalists estimate the mansion at no less than UAH 70 million — this is the journalists' estimate, not an official amount. The official incomes of the father-in-law and mother-in-law, according to the journalists' sources in the tax service, amounted to UAH 16.5 and 7.5 million for 1998–2025. Komar stated that the mansion was not being built for him. On 2 August 2025 the Office of the Prosecutor General registered criminal proceedings under Article 368-5 of the Criminal Code (illicit enrichment), and the investigation was assigned to the SBI; the NACP is conducting lifestyle monitoring. As of March 2026 no notice of suspicion had been served. There is no verdict.
