Apartment in central Kyiv registered to the MP's father (about USD 200,000)

Journalistic investigation · period: ~2022—2024 · made public: 29 Feb 2024

Alleged: US\$200,000

According to a Bihus.Info investigation, since September 2022 the owner of an apartment of about 100–111 sq m in a new residential complex in central Kyiv (Pechersk) has been the father of MP Volodymyr Kreidenko; judging by photos and stories posted on social media by the MP's wife, the couple has lived there since autumn 2022, and journalists spotted a car registered to the MP in the complex's parking lot. The apartment is not listed in the 2022 declaration. Journalists estimated it at about USD 200,000 (over UAH 7 million). The MP explained that his father sold a house in Melitopol and earned money from the cherry trade, and that he himself has lived in the apartment since January 2023. The amount is the journalists' estimate. This is a journalistic investigation: no official proceedings have been registered.
