Corruption episodes

Declared value of a house in Polianytsia (Bukovel) below the journalists' market valuation

Journalistic investigation · period: 2023 · made public: 28 Apr 2025

Alleged: US\$130,000

According to the NACP declaration for 2024, on 22 December 2023 the deputy director of MUE «Spetszhytlofond» acquired a 77.3 m² residential house and a 0.025 ha land plot in Polianytsia (the Bukovel resort area) at a declared value of UAH 667 thousand and UAH 71 thousand (journalists – about USD 17 thousand); a loan of UAH 1 million was declared as of 7 December 2023. Bihus.Info journalists estimated the market value of the cottage at approximately USD 130 thousand (the episode amount is the journalists' estimate, not the transaction price) and suggested that the contract stated an amount that could be covered by legal income. In the same story, the journalists cited fragments of NABU wiretaps which they interpret as discussion of «bonuses» for the official. This is a journalistic investigation: as far as is known, no separate criminal proceedings regarding this property have been registered; the official is a suspect in other proceedings («Clean City»), there is no verdict.

Operation “Clean City”: a criminal organisation that controlled land decisions of the Kyiv City Council and the Kyiv City State Administration

Notice of suspicion · period: ~2023–2024 · made public: 6 Feb 2025

Alleged: ₴81,000,000

Pre-trial investigation body: National Anti-Corruption Bureau of Ukraine

Co-defendants according to investigators: Komarnytskyi Denys Serhiiovych, Marchenko Olena Lvivna, Mushta Oleksii Oleksandrovych, Olenych Petro Serhiiovych, Terentiev Mykhailo Oleksandrovych

On 6 February 2025 NABU and SAPO announced the exposure of a criminal organisation which, according to investigators, controlled the adoption by the Kyiv City Council of decisions granting rights to land: non-existent or

primitive structures were registered to controlled persons (the «toilet scheme»), and then plots for their maintenance were obtained without auctions. According to NABU's initial announcement, in 2023–2024 land worth UAH 11.6 million was taken out of the Kyiv community's ownership, and the misappropriation of six more plots worth UAH 83.7 million was prevented; in January 2026, after the suspicions were amended and the investigation completed, NABU announced that the participants had planned to take possession of land worth over UAH 81 million (this later amount is used in the record). NABU does not name them; the names of the suspects are given by Bihus.Info journalists, who reported in October 2025 that some of the persons involved continue to work at the Kyiv City Council. As of 20 January 2026 the investigation has been completed and there is no verdict regarding these persons; they are presumed innocent until a verdict enters into force.
