Corruption episodes

SAPO lawsuit to declare assets unjustified: three premium-class cars registered to assistants and a related company

On trial · period: ~2020—2021 · made public: 1 Dec 2025

Alleged: ₴8,600,000

Pre-trial investigation body: Specialized Anti-Corruption Prosecutor's Office

In 2024 Bihus.Info journalists reported that the MP used a Toyota Land Cruiser 200 and a 2020 BMW 730LD registered to his assistant and to a company linked to another assistant. According to a SAPO announcement cited by Bihus.Info, in 2020–2021 the MP's unofficial drivers and a company linked to him bought three cars (Toyota Land Cruiser 200, BMW 730LD, BMW X5) with a total value of over UAH 8.6 million, while the lawful income of the MP and his family did not allow them to be purchased; the prosecutor filed a claim with the HACC to recognise them as unjustified assets and recover their value to the state (civil forfeiture, not criminal proceedings). In the Bihus.Info video the amount is given as «over UAH 8.5 million»; the record uses the amount from the Bihus.Info text citing SAPO. There is no court decision.
