Misappropriation of UAF funds during the procurement of equipment for an artificial football turf plant

Indictment in court · period: ~2016—2017 · made public: 9 May 2018

Alleged: €26,500,000

Pre-trial investigation body: National Police of Ukraine

Charges: ч. 5 ст. 191 КК України, ч. 3 ст. 209 КК України

According to the Office of the Prosecutor General, in 2016–2017, during the procurement of equipment for building a plant producing artificial turf for football pitches, the then President and General Secretary of the UAF, together with other persons, misappropriated UAH 26.5 million of the association's funds; about UAH 15 million was moved to accounts of a controlled enterprise abroad. The proceedings were investigated by NABU from 2018 and later transferred to the Main Investigation Department of the National Police of Ukraine (procedural supervision — Office of the Prosecutor General). In November 2022 A. Pavelko was served a notice of suspicion (Article 191(5), Article 209(3) of the Criminal Code), and on 23.04.2026 the indictment was sent to court. In 2017–2018 Bihus.Info reported that under a state programme turf for pitches was purchased only from the «FFU Production» plant linked to Pavelko, at a higher price than from European manufacturers (EUR 16–18 versus 12–14). The UAF funds are not budget funds; at that time Pavelko was a Member of Parliament (MP). There is no verdict.
