Corruption episodes

Solicitation of USD 100,000 and receipt of a USD 50,000 undue advantage for the lease of 2.5 ha of municipal land in Reni

On trial · period: 2023 · made public: 24 Jan 2023

Alleged: US\$100,000

Pre-trial investigation body: National Anti-Corruption Bureau of Ukraine

Proceedings: 52022000000000396

Charges: ч.4 ст.368 KK

Co-defendants according to investigators: Poidolov Ivan Mykolaiovych

According to NABU and SAPO, the mayor of one of the city councils in Izmail District of Odesa Oblast, together with a council member (head of the land commission), asked for USD 100 thousand for leasing about 2.5 ha of municipal land to a citizen; on 24 January 2023 the officials were detained after receiving the first part — USD 50 thousand. On 15 March 2023 the case was sent to the HACC; on 17 April 2024 the HACC found both guilty under Article 368(4) of the Criminal Code (the mayor was sentenced to 9 years' imprisonment with confiscation). The defence filed an appeal; as of September 2026 the appeal proceedings have not been completed, so the verdict has not entered into force. Official statements do not name the persons; the name Ihor Pliekhov is given by LB.ua (citing media), Bessarabia INFORM and the “HACC Verdicts” project.
