Corruption episodes

Suspicion regarding an expert examination in the case of the National Guard apartment swap with “Ukrbud”

Closed: time-barred · period: — · made public: 18 Dec 2020

Alleged: ₴81,640,000

Pre-trial investigation body: National Anti-Corruption Bureau of Ukraine

Charges: ч.3 ст.369 КК України

According to NABU and SAPO (notice of suspicion of 18.12.2020, Article 369(3) of the Criminal Code), Oleh Tatarov, formerly a lawyer for «Ukrbud», may have been involved in providing an undue advantage for the issuance of a false forensic expert opinion in a case concerning the misappropriation of property of the National Guard. The episode amount is the National Guard's damages in the case as a whole according to NABU (UAH 81.64 million); the suspicion against Tatarov concerned providing an undue advantage, not misappropriating these funds. Bihus.Info cites a sum of about UAH 80 million. In December 2020 the case was transferred from NABU to the SBU; on 14.12.2021 the Shevchenkivskyi District Court of Kyiv obliged the prosecutors to close the proceedings due to expiry of the pre-trial investigation time limits (Article 284(1)(10) of the Criminal Procedure Code), and on 21.04.2022 they were closed. This is not an exonerating ground, but it is not a verdict either: guilt has not been established by a court. Tatarov denied his involvement.
