Property of the former wife's family in Sovinyon and an undeclared BMW 7 Series after a formal divorce

Journalistic investigation · period: ~2016 · made public: 4 Sept 2025

Alleged: US\$600,000

Bihus.Info journalists reported that after the official divorce (according to the court register — December 2016; in his declarations Vykhodets listed his wife until 2021) his ex-wife opened a beauty salon in the Sovinion cottage town near Odesa (the building and land are registered to her father; real estate of this size costs about USD 200 thousand), and a house of about 300 m² in the same place (USD 300–400 thousand) is registered to her mother, to whom the ex-wife gifted the land. In August 2025, the journalists filmed Vykhodets driving a 2022 BMW 7 Series (about USD 100 thousand) that is absent from his declaration. According to the journalists, the family's official income is insufficient for such assets, and the divorce may be a formality. The amount in the record is the sum of the journalists' minimum estimates (≈100 + 200 + 300 thousand USD). No official proceedings have been registered (according to open data); there is no comment from the official in the video.
